

Camp Buc Pick-a-Day Camp

On Tuesday, June 28th a group of seven elementary school students enjoyed a day at Camp Buc. Ethan Briley, Jessie Cole, Rylee Gessell, Isaac Haines, Kathryn Haines, Madison Roper, and Kolton Wilkie attended this new, fun event offered through the Buc Outdoor Center. When our group arrived, they packed a bag lunch and headed off to hike up to the top of Rockface Mountain. After lunch on the mountain, the group hiked back down and enjoyed a little downtime before setting off on their second adventure of the day, a hike to Trinity Falls where they could take a dip in the water. The group arrived back at the church that afternoon tired but still excitedly talking about their experiences at Camp Buc. The Christian Education committee is grateful for Mrs. Amy Briley volunteering to chaperone this trip, along with Mrs. Jessica Varney.
