

# College Conference – Beyond Babel

April Simms and Carole Thomas attended the 2017 Montreat College Conference – Beyond Babel on Feb. 2<sup>nd</sup> through 5<sup>th</sup>.

Here are Carole's reflections on their experience, "It was certainly a moving experience. I loved that we had various workshops to choose from, so we could listen for God's call in whatever our passions are. The speakers/preacher were, as usual, phenomenal. Of particular eminence to me is our last keynote speaker, a Sikh woman with a powerful story to tell and a message of love in all circumstances. Overall, it made me think critically about how best to be a Christian in this world, and I am grateful for my time spent there."
